

Remarks

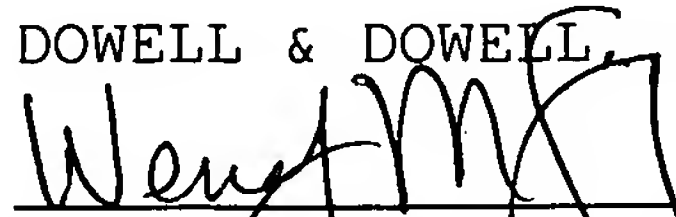

The Examiner has required an election as enumerated in the Restriction Requirement of June 2, 2009.

The election of claims 1-6 and 10 directed to an apparatus having lever and cam followers. The election is being made with traverse. In traversing the restriction, it should be noted a greater burden would be placed on the applicant to prosecute both groups as defined by the Examiner separately, than would be placed on the US Patent Office.

Should the Examiner have any questions, the Examiner is invited to contact the undersigned agent at the telephone number shown below. It is not believed any additional fees are due at this time, however if this is found to be in error they may be charged to deposit account 04-1577.

Respectfully submitted,

DOWELL & DOWELL, P. C.
